

13 Sept 88

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

Doug,

Here are my scribbles
for the DCI's PFIA B
drill. Hoping to get some
feedback before he went T D Y
I went to Gates. From
what I know, the PFIA B
session is a blank slate.
DCI can do what he wants.
A blend of "globaloney" and
issues makes sense.

Fritz
